2024 IMPA CHAMPIONSHIPS

IMPORTANT INFORMATION

Building flow walk through video: <https://youtu.be/eyLXOHuej4o>

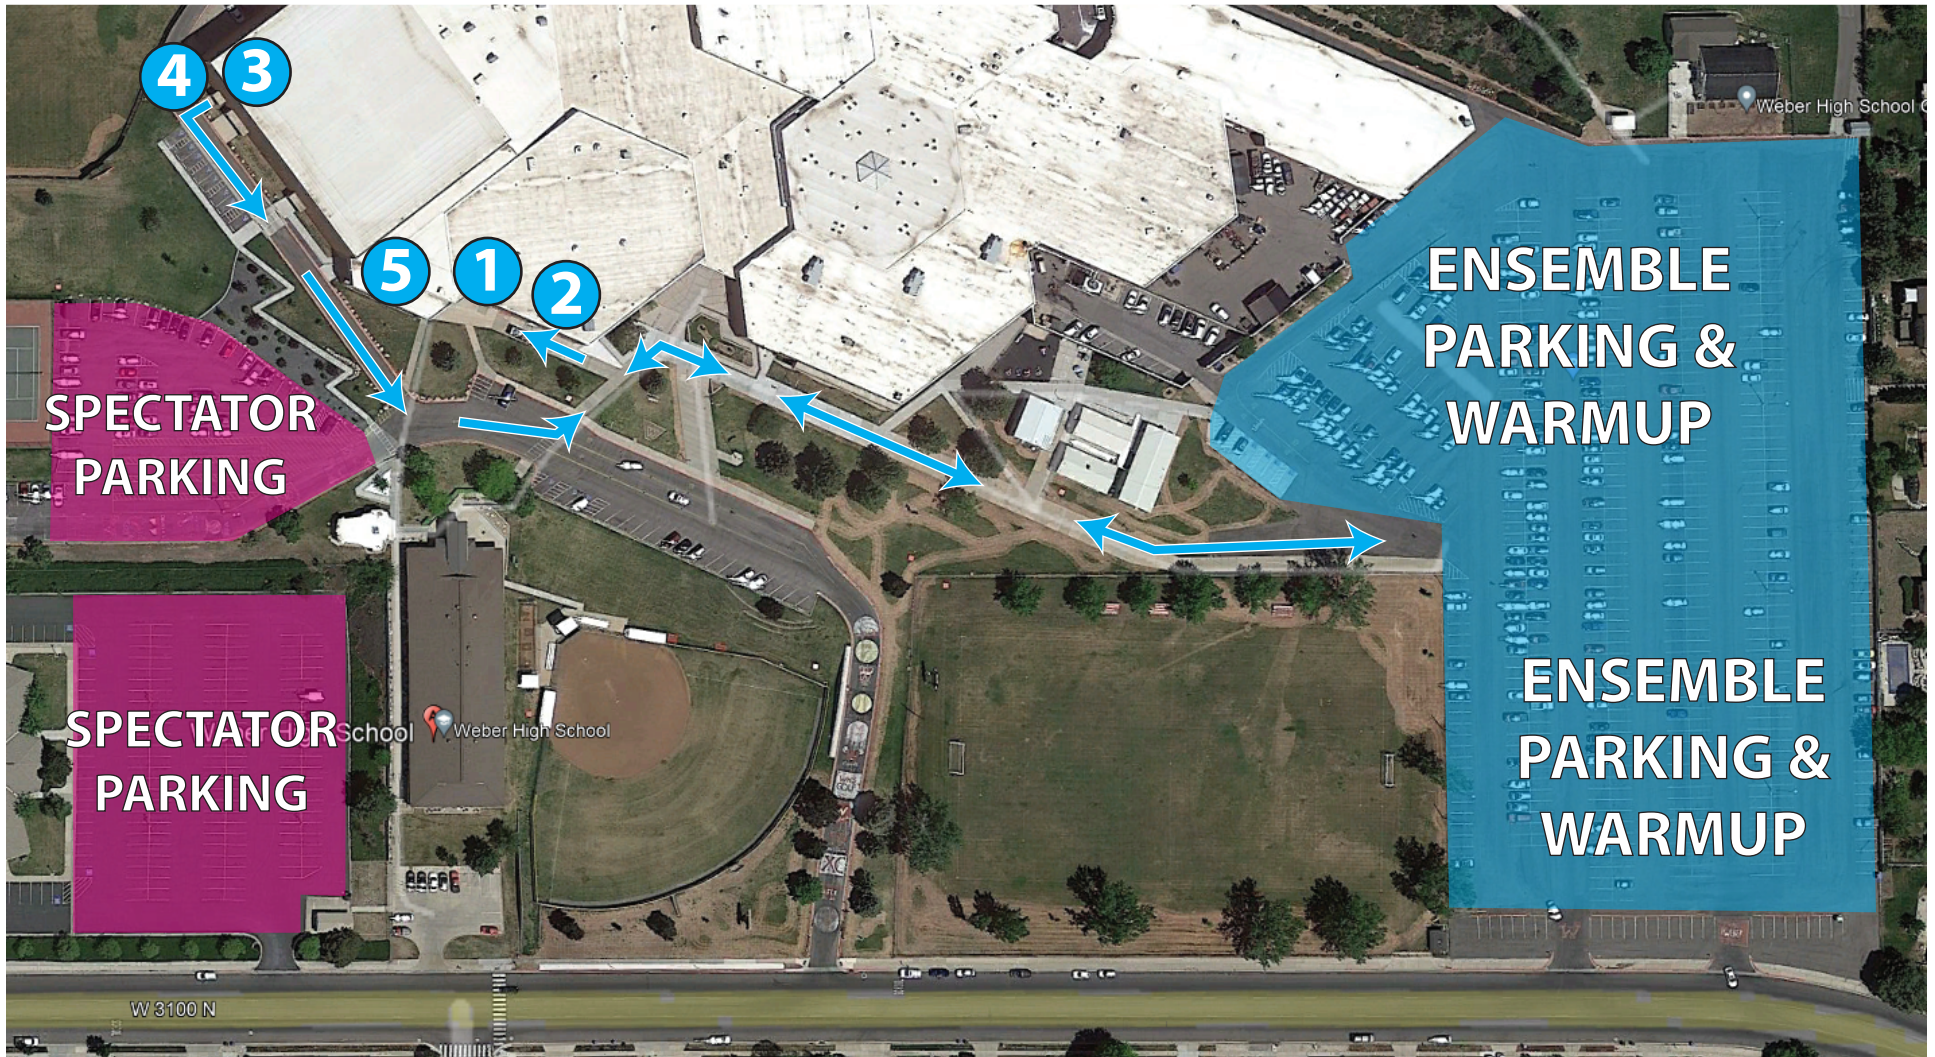

- Access to the main staging area includes a limited width door (two openings each 43” wide)
 - Oversized equipment not needed for warmup (props etc...) can be brought into the designated staging area through the ensemble exit door.
 - These items **MUST** enter the building before performances start, or during breaks.
 - No oversized equipment pre-staging will be allowed during performance blocks.
- Oversized equipment needed for warmup will enter the gym through the ensemble exit and meet the rest of your ensemble/equipment at the gate.
 - See the logistics schedule for main staging area and oversized staging area arrival times.
- No equipment, other than electronics and props, may be stored inside the building.
 - Weather could be bad, plan ahead and bring tarps to keep equipment protected.
- In the event of bad weather, floors can be rough folded and stored near the ensemble exit to protect them from getting wet.
 - Floor will be refolded in the main gym and aux gym during breaks.
 - A bad weather logistics schedule will indicate what time each ensemble is allotted to refold their floor in the main or aux gym.

IMPA CHAMPIONSHIPS 2024

SITE MAP - GOOD WEATHER

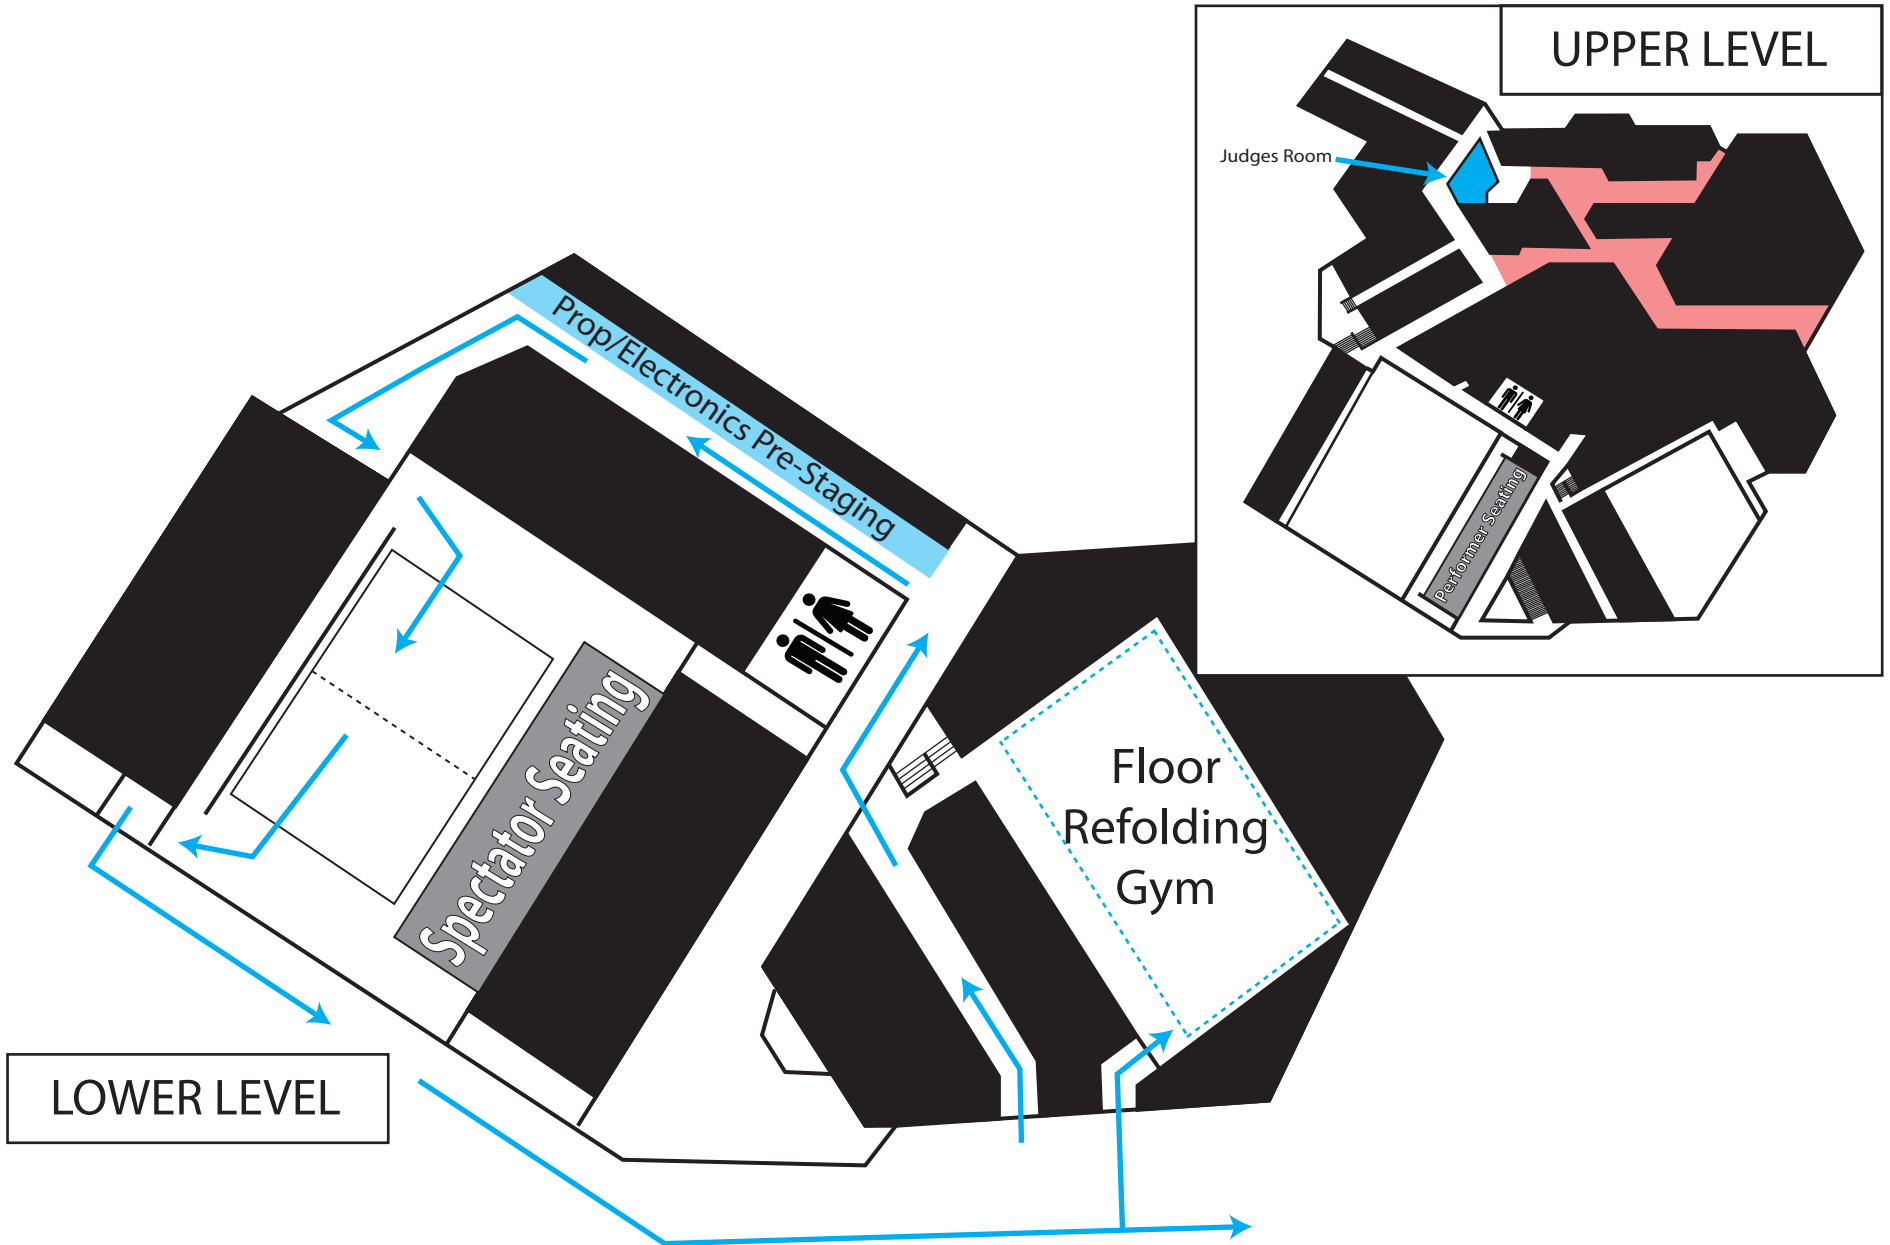

- 1 Ensemble Building Entrance
- 2 Floor Refold Entrance
- 3 Ensemble Exit
- 4 Oversized Equipment On Deck
- 5 Spectator Entrance

- Electronics and props ONLY may be stored inside in the designated area.
 - All equipment stored inside must enter the building before 9:00am, or during breaks.
- Oversized Equipment needed for warmup will enter the gym through the ensemble exit and meet the rest of the ensemble at the gate. An adult MUST accompany all oversized equipment.
- There will be no indoor warmup space with a good weather flow.
